June 19th, 20223

Dear Kentucky Junior Cattlemen Supporter,

The KJCA Fall Classic will take place September 29th- October 1st at the WKU L.D. Brown Expo Center in Bowling Green, Kentucky. This annual event, which began in 2004, is more than just a cattle show. This event gives the next generation of beef advocates the opportunity to participate in competitive events such as individual sales, livestock judging, and advertising design.

Keeping the priority on youth recognition, the KJCA Fall Classic is concluded each year with an awards banquet commending members for their hard work and success. To make this a successful event, we need sponsors from across the state who want to help reward these hard working beef cattle enthusiasts.

We have a goal of raising \$15,000. With your contribution, we hope to achieve this goal!

In return for your generosity, you will receive acknowledgement throughout the event, on social media, and during the banquet. We would love for you to hang signs and banners at the show if you desire. This is a tax deductible donation. Any amount over our goal will go back into the KJCA account for other youth educational activities.

If donating to the event is something you are interested in, please circle the level you'd like to participate in and mail this form back with a check made payable to KJCA. It's your generous support that allows the Kentucky Junior Cattlemen's Association to continue supporting youth development events.

If you have any questions regarding donations/sponsorships, please contact us at 859-278-0899 or by email at bburks@kycattle.org

Thank you, we look forward to working with you.

Sincerely,
Caleb Kernodle, President
Kentucky Junior Cattlemen's Association
